

Respiratory Protection BREATHING APPARATUSES

Diablo PIZ

Respiratory Protection BREATHING APPARATUSES

Diablo PIZ

Self-contained breathing apparatus specially designed for emergency operations in confined spaces in which rapid response is an essential requirement.

DESCRIPTION

The **Diablo PIZ** self-contained breathing apparatus consists of a compact backpack for quick interventions in confined spaces, support harness made of synthetic yarn, self-extinguishing, with attachment and adjustment buckles for quick donning, adaptable to any size, anatomical backpack, made of self-extinguishing plastic material, which allows the weight of the cylinder to be evenly distributed. The cylinder is 3-liter steel at 200 bar with DIN connection.

The Diablo Piz is available in a version for **potentially explosive atmospheres**.

MAIN FEATURES

PERFORMANCES

Usability
